

REPORT

On **World Environment Day, June 5th, 2025**, Department of Community Medicine conducted a plantation drive at Neelima Institute of Medical Sciences and our field practice area, Narapally village from 10 AM-1 PM. The event aimed to promote environmental awareness and the importance of afforestation among students, faculty, and the community.

Schedule of the programme	Venue	Timing	Number of saplings
Introduction	Lecture gallery 2	10:00 am -10:10 am	-
Plantation by Dean, HODs & Faculty	NIMS premises	10:15 am -10:30 am	10
Plantation by NSS volunteers of Phase II MBBS	Narapally	10:30 am -11:30 pm	30
Plantation by Students	NIMS premises	10: 30 am - 01:00 pm	60

The program commenced with a brief address by Head of the Department of Community Medicine **Dr P Shruti**, highlighting the significance of World Environment Day and the urgent need to conserve and protect our natural resources. The speaker encouraged everyone to take personal responsibility for environmental conservation and continue similar initiatives throughout the year.

The inaugural planting was done by the Dean, symbolizing the institution's commitment to sustainable environmental practices, followed by the Heads of Departments, faculty members, students, and NSS volunteers participating enthusiastically in the plantation activity

A variety of saplings including medicinal, flowering, and shade-giving plants were planted across the college premises and in selected locations in the nearby village.

NSS volunteers played a vital role in organizing and coordinating the event, ensuring proper placement and watering of the saplings in the Narapally village.

THANK YOU
