PHARMACOLOGY QUIZ (Pharm Nimz – 2025)

Organized by

Department of Pharmacology

Quizzes encourage students to review and reinforce their learning. The objectives of the quiz were to promote active learning, assess knowledge, foster critical thinking, enhancing engagements, encouraging team work, and building confidence among the students. We planned the quiz for II MBBS students (2023 batch)

Date: 20th March 2025

Time: 2-4 pm

Venue: Lecture Hall -2

Planning: The quiz was well planned. The parts of quiz, their dates, syllabus for quiz, reference books and rules were well explained priorly (around 40 days prior to the Final round of quiz) during the class and on the batch WhatsApp group.

The quiz was conducted in two parts; preliminary quiz and Final quiz.

- **Preliminary quiz** – It was open for whole batch and conducted in the form of 20 MCQs with 5 sets under strict invigilation. We want to select top 12 candidates (4 teams with 3 participants in each). But we got top 25 candidates where last 15 candidates were having same marks. So, we conducted one more MCQs test for those 15 candidates. We got our top 12 contestants for our final round. Teams were formed by random picking of chits by the contestants.

The event commenced with the welcome address by our beloved Dean Dr B Lakshmi Prasanna mam. The rules and instruction of the quiz were clearly explained.

- **Final quiz** - There were 4 teams with 3 participants in each.

Team A: Ifra Fathima, Pallavi Bahirwad, Afnan Khatija Yahyabin Mahfooz

Team B: Samiya Raheen Sagar, Omer Ahmed Mahetab, Soham Choudhary

Team C: Shoaib Majid Shaikh, Neeharika Muralikrishna, Syed Zahraa Ashfaq

Team D: Arya Papade, Mohammad Faisal Kabeer, Kulkarni Rhucha Mahesh

There were 5 rounds throughout. Each round was taken over by one faculty. Round 1 – Dr. Vasavi Patra
Round 2- Dr. Mali Kalpana, Round 3 – Dr. Venu Gopal Rao Konda, Round 4: Dr. Venkataramana and
Round 5- Dr. Swati Negi

After completion of each round there were exclusive questions for audience with the attractive prizes for audience to make it more engaging and interactive.

At the end of five rounds team D scored highest point & became winner, whereas team A and Team C were having same second highest score. So, we conducted tie breaker question for these 2 teams. Team A answered correctly securing 2nd position in quiz.

Trophies & certificates were given to winners. Consolation prize and certificates were given to another 2 teams.

The program concluded with vote of thanks by Dr Venu Gopal Rao Konda, Professor, Dept of Pharmacology.
