DEPARTMENT OF PHARMACOLOGY

Student Seminar

The Department of Pharmacology, Neelima Institute of Medical Sciences, successfully organized student seminar for 2nd year MBBS students (2023 batch)

Date: From 20/1/25 to 22/1/25

Time: 2-4 pm

Venue: Lecture Hall 1 & 2

Planning

The program was well planned. All the 150 students were included in the seminar. The topic allotment for each student was done & the document is shared among the student WhatsApp group. Topics were selected across all the systems of Pharmacology. Students were instructed to prepare maximum 5-10 slides with maximum 10 minutes presentation of the allotted topic. Each Faculty had moderated 30 students for the seminar preparation.

Objectives

The main objectives of the student seminar were to:

- Enhance the understanding of specific topic.
- Building confidence & fostering critical discussion.
- encouraging active student participation
- Developing the presentation skills and public speaking skills.

Student Participation

There was enthusiastic involvement from **150 MBBS students**, who were divided into three batches:

- **Batch A:** Roll numbers 1–50 conducted on 20/1/25
- **Batch B:** Roll numbers 51–100 conducted on 21/1/25
- **Batch C:** Roll numbers 101–150 conducted on 22/1/25

Each student presented their seminar for **5-10 minute** on the assigned topic, followed by question & answer session

Outcomes

The student seminar successfully:

- Reinforced students' understanding of pharmacology concepts.
- Enhanced students' **confidence & public speaking skill**.
- Created an interactive and competitive academic environment.
- Boosted confidence for **future seminars, presentations, and academic competitions**.

Student Feedback

- “Built the concept of pharmacology topics in interactive and engaging”
- “Helped improve confidence in speaking spontaneously.”
- “A fun and educational experience. Looking forward to more sessions like this.”
